**Matthew Condon, J.D. / MBA,
CEO – Bardavon Health Innovations, LLC and
CEO – ARC Physical Therapy+**

Matthew Condon is Founder and CEO of Bardavon Health Innovations (a Kansas City based healthcare data/analytics company) and ARC Physical Therapy+ (one of the fastest growing physical therapy companies in the country).

His organizations have been repeatedly recognized for excellence throughout his career, including “Best Places to Work” and “Hall of Champions - Champions of Business” by the Kansas City Business Journal and was honored with the coveted “Mr. K Small Business of the Year” in 2010.

Matt is a recognized thought leader on Innovation and Healthcare – speaking at conferences throughout the country and serving on two congressional Health Care Advisory councils. Locally, Matt is a member of the Boards of KU Advancement, KC Rising, KCInvestEd, and Phoenix Family while Championing the Greater KC Chamber’s Big 5 Initiative to Make Kansas City’s America’s Most Entrepreneurial City.

A registered attorney in Kansas and Missouri – Matt and his wife Carrie live in Kansas and have four children.
