CENTURIONS 2019/20 LEGACY PROJECT  
**COMMUNITY LINC**

**PROJECT BRIEF**

Created to encourage service designed to leave a lasting impact on Kansas City, the Centurions' Annual Legacy Project focuses on a new organization each year. The 2019/20 Legacy Project will benefit Community LINC through a revival of their **Elementary Education Center** and creating a **warehousing and inventory system** for the organization's on-site donation center.

The Elementary Education Center will offer a space for academic support and tutoring for the hundreds of children Community LINC serves each year, with the goal of addressing the deficiencies that perpetuate the cycle of poverty. Children's resilience and life skills, academic assistance, and Mental Wellness Counseling reduce the damage of homelessness and awaken children to new life options.

The Centurions class of 2019/20 will work with Community LINC to renovate and renew the Elementary Education Center. The space will be converted into a learning environment suited to a modern, STEAM focused curriculum. With your help, we will positively impact the lives of countless children for years to come.

**TIMELINE**

December 2018 - May 2019

**SPONSORSHIP**

Monetary and in-kind

**SPONSOR OPPORTUNITIES**

Plumbing, electrical, drywall, carpet/flooring, kitchen furnishings, furniture, educational materials, technology

**PROJECT CONTACTS**

AMY WRIGHT (amy@encompas)  
DAN BROWN (dbrown@hufft.com)  
MONICA POWERS (monica.powers@shawneemission.org)

**ALL DONATIONS TO**

Community LINC (501c3) C/O  
Amy Wright, Centurions Legacy Project

Established in 1976, Centurions was the first program of its kind in the metro. Over time, it has developed a reputation as an unequalled training ground for future leaders of Kansas City. Centurions are focused on building community awareness through civic opportunities and on community issues that effect Greater Kansas City. The mission is to prepare a representative cross-section of the community's emerging leaders for their role in shaping the future of Greater Kansas City.

Celebrating their 30th anniversary in Kansas City, Community LINC works tirelessly towards the goal of eradicating homelessness in Kansas City. Their systematic approach to removing barriers for families struggling to find "home" results in an 84% success rate. Read that again: 84% of the families who graduate from Community LINC's program do not become homeless again.

Community LINC has a path to ending homelessness in Kansas City... and it's working. Serving approximately 500 families each year, Community LINC has directly impacted the lives of over 4,000 families - including over 8,500 children - in their 30 year tenure in Kansas City. By re-housing, stabilizing, and empowering families to become self sufficient, Community LINC creates a foundation from which families can thrive.
