****Small Business Superstars were submitted for recognition by their clients, vendors, and friends, or they submitted themselves. Superstar submissions were open for the month of January 2025. If you know a small business that didn't make the list this year, that's okay! Rest assured, the KC Chamber will do this again next year. We love celebrating small businesses!*

And if you should come across a 2025 Superstar from this list, be sure to offer them a hearty congratulations.
